The New Faculty Fellows program is an initiative of the American Council of Learned Societies to address the dire situation of newly minted PhDs. The program, which is supported by a generous grant from The Andrew W. Mellon Foundation, allows fifty recent PhDs in the humanities and related social sciences to take up two-year positions at universities and colleges where their particular research and teaching expertise augments departmental offerings. www.acls.org/programs/newfaculty
Jesse Ross Knutson
