HENRY LUCE FOUNDATION/ACLS PROGRAM IN CHINA STUDIES PREDISSERTATION-SUMMER TRAVEL GRANTS

WELCOME TO THE ONLINE APPLICATION FOR THE HENRY LUCE FOUNDATION/ACLS PROGRAM IN CHINA STUDIES PREDISSERTATION-SUMMER TRAVEL GRANTS.

This program is for graduate students who wish to conduct preliminary preparations in China *prior to beginning basic research for the dissertation.* These grants are not intended as extensions of the time devoted to basic research but to support the necessary steps to prepare for it.

They are for graduate students - with a PhD prospectus in hand or developing one - seeking to investigate the research currently underway in Chinese archives and field sites, to establish contact with Chinese scholars, and to secure necessary permissions for fieldwork or archival research.

Applications in all disciplines of the humanities and the humanities-related social sciences are welcome.

Application essays must state the rationale for the proposed travel. The essay should provide a plan for the time in China, identifying the individuals, institutions, and sites to be visited. Inclusion of correspondence with contacts in China is desirable.

Stipends may be used for costs associated with travel to China: air and ground transportation, visas, and living expenses.

Grant tenure must be for at least 3 consecutive months for a preliminary visit to China to prepare for beginning basic research for the dissertation. The grant period must fall between June 1, 2018 and December 31, 2018.

Graduate students who have already begun research in China are not eligible.

This program is made possible by funding from the Henry Luce Foundation.

Eligibility

1. Applicants must be enrolled in a PhD program at a university in the United States or Canada.

2. The application must contain a letter from the dissertation supervisor stating the need for a summer visit to China prior to dissertation research. This may include work useful to development of the prospectus.

3. The application must be written in English.

4. A working knowledge of Chinese is required.

Notifications will be sent by May 2018. A final report is required upon completion of the grant.

Selection Criteria

Applications will be evaluated on the basis of

(1) The research design and intellectual organization of the dissertation project, and its significance to the field of China studies.

(2) The suitability of the proposed visit to China to prepare for dissertation research in archives or at field sites.

INSTRUCTIONS

You may make as many visits to your application as you wish, and revise any information in your application until it has been submitted. In order to be considered, your application must be complete and in SUBMITTED status at **9 pm, EASTERN STANDARD TIME, November 8, 2017. You must complete the REFERENCE LETTERS by this time**; your letter writers will have until November 15, 2017, to submit their letters.

This application consists of three parts: the application form itself, the uploaded proposal document (see PROPOSAL UPLOAD), and reference letters (see REFERENCE LETTERS).

BEFORE BEGINNING the application form, please read the Instructions regarding the PROPOSAL UPLOAD and the REFERENCE LETTERS, as well as the following technical instructions.

A. How to SAVE and SUBMIT your data.

1. Do not use your browser's "BACK" or "FORWARD" buttons for navigation. Instead, use the navigation links and/or arrows provided on each application screen.

2. You must **SAVE each time you leave a screen**. If you do not click on SAVE, anything entered since you last hit SAVE on that screen will be lost. (Any work from a previous session will be retained, but any new entries will be lost.) The SAVE button is on the bottom of your screen.

3. You may work on your application in as many sessions as you wish, and the status of your application will be **IN PROCESS** until you submit it. Once you are satisfied that your application is complete, you must go to the SUBMIT APPLICATION screen and select **SUBMIT APPLICATION**. Once your application has been SUBMITTED, it cannot revert to IN PROCESS status.

4. When you have completed your application, pause to check it one last time. We strongly suggest that you print and read your application before submitting it, so that you can be sure there are no further revisions you wish to make. Your print copy should include your uploaded document.

5. Your application status bar must show SUBMITTED at 9 pm, Eastern Standard Time, November 8, 2017, in order for it to be considered. ACLS will take no responsibility for applications that are not in SUBMITTED status at the deadline. **Once your application has been SUBMITTED, even if it was submitted before the final deadline, no changes will be permitted.**

6. We strongly urge you to print out and save a copy of the final version of your SUBMITTED application. Your print copy should include your uploaded documents. You can print your application until January 15, 2018.

B. How to enter data.

1. You may begin completing the application at any section.

2. What you type into the form is exactly what will be seen by our reviewers. Therefore, please fill out the form carefully, paying attention to spelling, punctuation, grammar, and case. (For instance, do not use all caps.)

3. Text boxes will hold only a limited amount of text. Where longer answers are permitted, the number of available characters will normally be indicated. We suggest that you type rather than paste your response. If you paste your response, be sure your character count does not exceed the limit: excess text may

appear on the screen but will not print and will not be visible to reviewers. Examine your print application to be sure your response is complete.

4. Dates should always be entered in the format mm/yyyy or mm/dd/yyyy where indicated. Where an entry continues into the present, please simply leave the ending date blank (mm/yyyy - [blank]).

5. Begin typing all answers at the extreme left hand side of the response area or box; do not leave a space or indent at the beginning of your answer.

6. In all dollar amount fields, use only digits. Please do not use the dollar sign or commas.

C. How to get help.

1. If you have questions about the application process, please consult FAQ. If your question is not answered there, click on the "OFA HELP" link that appears on the blue bar at the top of each screen to submit your query.

2. If you are unable to use the "OFA HELP" link that appears on the blue bar at the top of each screen (after this one), contact ofahelp@acls.org with questions. (Please use the "OFA HELP" link instead if possible.)

Good luck with your application!

REFERENCE LETTER and SUPERVISOR STATEMENT   OFA HELP

PLEASE NOTE: You MUST ENTER YOUR REFEREES on the Reference Letters page BEFORE they can log in to use the online references system. Please do not ask them to access the system until you have done this. Once you have entered the information and clicked the "send email" button, an email will be automatically generated with appropriate instructions to the referee.

One letter of reference and one supervisor statement are required.
Your supervisor CANNOT submit both the supervisor statement and the reference letter. You need two different referees writing in support of your project.

1. REFERENCE LETTER. We suggest that you secure as referee a scholar competent to judge your record, the present research proposal, and the probable future contribution to the field. (We do not accept letters from dossier services such as Interfolio.)

The referee is also asked to evaluate your working knowledge of Chinese. This is not a formal evaluation; no language exam is required.

2. SUPERVISOR STATEMENT. In addition to one letter of reference, we require a statement from the applicant's dissertation supervisor.

The letter must state the applicant's need for a summer visit to China prior to dissertation research. This may include work useful to development of the prospectus. The letter should describe the status of the applicant's progress toward the PhD degree, for example: preparing a prospectus, prospectus in hand, all requirements for the PhD completed except the dissertation.

The letter of reference and the supervisor statement must be submitted online. It is your responsibility to convey information about your proposal to your referees. After your referees have agreed to write on your behalf:

- Tell your referees to expect an email from ACLS.
- Make absolutely certain you have the correct email address for each referee.
- Enter each referee's name and email address by clicking on the "Add Referee" link at the bottom of this page. Please capitalize the name properly.
- Once you have entered the information and clicked the "send email" button, an email will be automatically generated with appropriate instructions to the referee.
- It is not necessary to enter all referees at the same time. You can return to this screen at any time to enter referees.

No more than one letter of reference and one supervisor statement will be accepted.

- Enter only the required number of referees. It is possible to enter additional referees, but you should do this only if you learn that a referee is unable to complete the promised letter.
- **The first reference letter and the first supervisor statement submitted will be the letters on file in support of your application**. Once the maximum number has been submitted, another referee attempting to submit a letter for you will be prevented from doing so. Be careful not to put anyone in this situation.

If you learn that your referee did not receive an email with instructions, enter the information again using the "Add Referee" link below to have the email sent again. (You will not be able to enter the information again, however, if the referee has begun your letter.)

The letter of reference and the supervisor statement are due by November 15, 2017. It is your responsibility to check online to see whether letters have been submitted. The

system will continue to accept letters after the deadline and will add them to your application at the earliest possible time, though we cannot guarantee that they will accompany your application through our entire review process.

You may wish to print this page so that you have this information after the application deadline. This page will not be included as part of your view/print application.

- Use the header/footer function to number pages. (Do not type the numbers directly into each page of your document text.) You may number pages consecutively throughout the entire document, or you may number the different sections separately. (Page numbers are most helpful on the proposal, so you may omit them on the other items if you wish.)
- If you have difficulty with your uploads, consult the FAQ/technical support before contacting OFA HELP.

4) INSTRUCTIONS FOR UPLOADING YOUR DOCUMENTS:

The proposal elements should be collated in this order—application essay, bibliography, and dissertation prospectus [optional] —and uploaded as one file. The correspondence with Chinese contacts (if any) should be uploaded as a separate document.

Files will be accepted in the following formats **ONLY**:
Microsoft Word (.doc or .docx), WordPerfect Version 5. or later (.wpd), Text only (.txt), or Adobe Portable Document Format (.pdf). **Your file MUST include the appropriate extension** (e.g., ".doc"); if you are on a Mac, you will need to enter the extension as part of the file name.

The button below will allow you to upload your document. You will be able to browse your computer system to select the file to be uploaded. When you have completed the upload, your file name should appear under "FILE UPLOAD STATUS" below as a blue link. You can confirm that the file has uploaded successfully by clicking on the blue link and viewing your file. Sometimes the process takes a little time: if your file name does not appear as a blue link, refresh the screen using the refresh button in your browser tool bar, or simply leave this screen and come back to it.

As long as your application is still "In Process," you can upload revised versions of your document by simply repeating the upload process and selecting the new/revised version. (This may have the same file name or a new file name.) When you click on "Upload Proposal" the revised version will be recorded and the old version erased.

After uploading, please check your file to be sure it has uploaded successfully.
